

Lincoln Resources for Preventive Cancer Screening

If you don't have a medical provider and/or need assistance paying for preventive screening services in Lincoln, contact:

- Bluestem Health, 1021 N. 27th Street, Lincoln, 402.476.1455, www.bluestemilincn.com
- Lincoln Family Medicine Center, 4600 Valley Road, 402.483.4571, www.lincolnfamilymedicine.com
- Nebraska Urban Indian Medical Center, 2331 Fairfield Street #1, 402.434.7177
- Family Health Services, 630 N. Cotner Blvd #204, 402.466.1012, www.fhsi.org

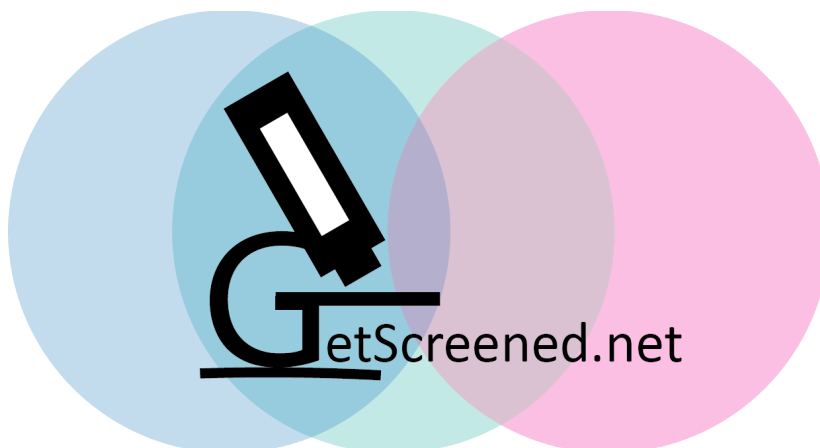

Note: The clinics listed above offer services on a sliding fee scale based on income and can also help you to apply for Every Woman Matters or other payment assistance programs.

For additional help connecting to care:
